Company Overview

WAYANAD BANANA PRODUCTION AND EXPORT FARMER PRODUCER COMPANY LIMITED

Registered office: PP 14/475 A,B PADINJARATHARA PO, Wayanad, WAYANAD, Kerala, India, 673575

Note - 1. Significant accounting policies

1.1 Basis of preparation of financial statements

The financial statements of the company have been prepared under the historical cost convention, in accordance with generally accepted accounting principles in India (Indian GAAP) on an accrual basis. The company has prepared these financial statements to comply in all material respects with the accounting standards notified under the Companies (Accounts) Rules, 2014, and the relevant provisions of the Companies Act, 2013, to the extent applicable and the guidance notes, standards issued by the Institute of Chartered Accountants of India. Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard required a change in the accounting policy hitherto in use.

1.2 Use Of Estimates

The preparation of financial statements in conformity with Indian GAAP requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, at the end of the reporting period. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

1.3 Tangible assets, Intangible assets and capital work In progress

Fixed assets are stated at cost, after reducing accumulated depreciation and impairment up to the date of the Balance Sheet. Direct costs are capitalized until the assets are ready for use and include financing costs relating to any borrowing attributable to acquisition of construction of those fixed assets which necessarily take a substantial period of time to get ready for their intended use. Capital work in progress includes the cost of fixed assets that are not yet ready for their intended use. Intangible assets, if any, are recorded at the consideration paid for acquisition of such assets and are carried at cost less accumulated amortization and impairment.

1.4 Depreciation

Depreciation on fixed assets is determined based on the estimated useful life of the assets using the Straight Line method as prescribed under the schedule II to the Companies Act, 2013. Individual assets costing less than Rs. 5000.00 or less are depreciated within a year of acquisition. Depreciation on assets purchased/sold during the period is proportionately charged. Leasehold land is amortized on a straight line basis over the period of lease. Intangible assets, if any, are amortized over their useful life on a straight line method.

1.5 Employee benefits

Short Term benefits are recognized as an expense at the undiscounted amount in the statement of Profit and Loss of the year in which related service is rendered. Retirement benefits in form of gratuity, leave encashment etc. will be accounted for on accrual basis. The company has not incurred any liabilities in this respect till the end of the year. Provisions of Employees' Provident Fund and Miscellaneous Provisions Act and Payment of gratuity act are not applicable to the company. However, there is no liability accrued in this respect as on the end of the financial year.

1.6 Government grants

Grants and subsidies from the government are recognized when there is reasonable assurance that (i) the company will comply with the conditions attached to them, and (ii) the grant/subsidy will be received.

When the grants or subsidy related to revenue, it is recognized as income on a systematic basis in the statement of profit and loss over the periods necessary to match them with the related costs, which they are intended to compensate. Where the grant relates to an asset, it is recognized as deferred income and released to income in equal amounts over the expected useful life of the related asset.

Government grants of the nature of promoters' contribution are credited to capital reserve and treated as a part of the shareholders' fund.

1.7 Investments

Investments, which are readily realizable and intended to be held for not more than one year from the date on which such investments are made, are classified as current investments. All other investments are classified as long term investments. Current investments are carried in the financial statements at lower of cost and fair value determined on an individual investment basis. Long term investments are carried at cost. However, provision for diminution in value is made to recognize a decline other than temporary in the value of the investments.

On disposal of an investment, the difference between its carrying amount and net disposal proceeds is charged or credited to the statement of profit and loss.

1.8 Inventories

All trading goods are valued at lower of cost and net realizable value. Cost of inventories is determined on first in first out basis. Scrap is valued at net realizable value

Net realizable value is the estimated selling price in the ordinary course of business.

1.9 Revenue recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the company and the revenue can be reliably measured. The following specific recognition criteria must also be met before revenue is recognized:

Sale of goods

Revenue from sale of goods is recognized when all the significant risks and rewards of ownership of the goods have been passed to the buyer, usually on delivery of the goods. The company collects sales taxes (GST) on behalf of the government and, therefore, these are not economic benefits flowing to the company. Hence, they are excluded from the revenue.

Income from Job work/Services

Revenue from Job work/ Services is recognized when the contractual obligation is fulfilled and goods/services are delivered to the contractee.

Interest

Interest income is recognized on a time proportion basis taking into account the amount outstanding and the applicable rate of interest. Interest income is included under the head "Other Income" in the statement of profit and loss.

1.10 Income Taxes

Tax expenses comprise current and deferred tax. Current Income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income Tax Act, 1961. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Deferred Income taxes reflect the impact of timing differences between taxable income and accounting income originating during the current year and reversal of timing differences for the earlier years. Deferred tax is measured using the tax rates and the tax laws enacted or substantively enacted at the reporting date.

Deferred tax liabilities are recognized for all taxable timing differences. Deferred tax assets are recognized for deductible timing differences only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. In situations where the company has unabsorbed depreciation or carry forward tax losses, all deferred tax assets are recognized only if there is virtual certainty supported by convincing evidences that they can be realized against future taxable profits. Deferred tax assets are reviewed at each reporting date.

Minimum Alternate Tax paid in a year is charged to the statement of profit and loss as current tax. The company recognizes MAT credit available as an asset only to the extent that there is convincing evidence that the company will pay normal income tax during the specified period, i.e., the period for which MAT credit is allowed to be carried forward. In the year in which the company recognizes MAT credit as an asset in accordance with the guidance note on accounting for credit available in respect of minimum alternate tax under the income tax act, 1961, the said asset is created by way of credit to the statement of profit and loss and shown as "MAT Credit Entitlement." The company reviews the "MAT credit entitlement" at each reporting date.

1.11 Provisions and contingent liabilities

The company recognizes a provision when there is a present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation. A disclosure for a contingent liability is made when there is a present obligation that cannot be estimated reliably or a possible or present obligation that may, but probably will not, require an outflow of resources. Where there is a possible obligation or a present obligation that the likelihood of outflow of resources is remote, no provision or disclosure is made.

1.12 Earning Per Share

Earning per share are calculated by dividing the net profit or loss after taxes for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. For the purpose of calculating, diluted earnings per share, the net profit/ (loss) for the year attributable to equity shareholders and weighted average number of shares outstanding during the year are adjusted for the effects of dilutive potential equity shares.

1.13 Cash Flow Statement

Cash flows are reported using the indirect method, whereby profit / (loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

Independent Auditors Report

To

The Members of WAYANAD BANANA PRODUCTION AND EXPORT FARMER PRODUCER COMPANY LIMITED

Report on the audit of the financial statements

Opinion

We have audited the accompanying financial statements of **WAYANAD BANANA PRODUCTION AND EXPORT FARMER PRODUCER COMPANY LIMITED** ("the Company"), which comprise the balance sheet as of March 31, 2024, and the Statement of Profit and Loss for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ('Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2024, and its Loss for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the standards on auditing specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Company in accordance with the code of ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the code of ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Reporting of key audit matters as per SA 701, Key Audit Matters are not applicable to the Company as it is an unlisted company.

Emphasis of Matter

The Company has made a detailed assessment of its liquidity position for the next year and the recoverability and carrying value of its assets comprising property, plant and equipment, investments, inventory and trade receivables. Based on current indicators of future economic conditions, the Company expects to recover the carrying amount of these assets. The Company continues to evaluate them as highly probable considering the orders in hand.

Our opinion is not modified in respect of this matter.

Other Information

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual report but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility For The Financial Statements

The Company's board of directors are responsible for the matters stated in section 134 (5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for the safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation, and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern, and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations or has no realistic alternative but to do so.

The board of directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities For The Audit Of The Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has an adequate internal financial controls system in place and the operating effectiveness of such controls
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern.
- If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure, and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Materiality is the magnitude of misstatements in the financial statements that individually or in aggregate, make it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.
- We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
- We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report On Other Legal And Regulatory Requirements

1. The provisions of the Companies (Auditor's Report) Order, 2016 ("the Order"), Issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013 is not applicable to the Company since
 - a. It is not a subsidiary or holding company of a public company;
 - b. Its paid-up capital and reserves and surplus are not more than Rs.1 Crores as at the balance sheet date;

- c. Its total borrowings from banks and financial institutions are not more than Rs.1 Crores at any time during the year; and
- d. Its turnover for the year is not more than Rs.10 Crores during the year.
2. As required by Section 143(3) of the Act, we report that:
- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
- (c) The balance sheet, the statement of profit and loss, and the cash flow statement dealt with by this report are in agreement with the books of account;
- (d) In our opinion, the aforesaid financial statements comply with the accounting standards specified under section 133 of the Act, read with rule 7 of the Companies (Accounts) Rules, 2014, as amended from time to time;
- (e) On the basis of the written representations received from the directors as of March 31, 2021, taken on record by the board of directors, none of the directors is disqualified as of March 31, 2021, from being appointed as a director in terms of Section 164 (2) of the Act;
- (f) Since the Company's turnover as per last audited financial statements is less than Rs.50 Crores and its borrowings from banks and financial institutions at any time during the year is less than Rs.25 Crores, the Company is exempted from getting an audit opinion with respect to the adequacy of the internal financial controls over financial reporting of the company and the operating effectiveness of such controls vide notification dated June 13, 2017;
- (g) The Company being a private limited company, the other matters to be included in the Auditor's Report in accordance with the requirements of section 197 (16) of the Act, as amended, in respect of whether the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act is not applicable; and
- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us;
- The Company does not have any pending litigations which would impact its financial position;
 - The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses; and
 - There were no amounts that were required to be transferred to the Investor Education and Protection Fund by the Company.

I. Notes to Accounts

Summary of Significant Accounting Policies

a) Basis of Preparation of Financial Statements

The accompanying financial statements are prepared in accordance with Indian Generally Accepted Accounting Principles ("GAAP") under the historical cost convention on the accrual basis. GAAP comprises mandatory accounting standards issued by the Institute of Chartered Accountants of India ("ICAI"). These accounting standards have been consistently applied, except where a newly issued accounting standard. Management evaluates the effect of accounting standards issued on an ongoing basis and ensures they are adopted as mandated by the ICAI. There are no recently issued accounting standards that management believes have a material impact on the financial statement of the company.

The Financial Statements have been prepared on an accrual basis and under historical cost convention.

b) Use of Accounting Estimates

The preparation of Financial Statements in conformity with Indian GAAP requires management to make judgments, estimates, and assumptions that affect the reported amounts of revenues, expenses, assets, and liabilities and the disclosure of contingent liabilities, as at the date of year-end. Estimates and underlying assumptions are reviewed on an ongoing basis. Revision to accounting estimates is recognized in the year in which the estimates are revised and in any future year affected.

c) Revenue Recognition

All incomes are generally accounted for on an accrual basis. The economic benefit associated with the transaction will probably flow to the Company and the amount can be reliably measured.

d) Property, Plant, and Equipment

All items of property, plant and equipment are stated at acquisition cost net of accumulated depreciation and accumulated impairment losses if any. Historical cost includes expenditure that is directly attributable to the acquisition of the items.

e) Depreciation and Amortization

Depreciation is provided on the straight-line method to allocate the cost of assets, net of their residual values, over their estimated useful lives.

| Asset Category | Estimated Useful Life |
|------------------------------|------------------------------|
| Computer Equipment | 3 to 5 years |
| Office Equipment & Furniture | 3 to 10 years |
| Plant & Equipment | 3 to 10 years |
| Electrical Installation | 3 to 15 years |

The useful lives have been determined based on the technical evaluation done by the Management experts which are different from the useful life prescribed as per in Part C of Schedule II of Companies Act 2013, to reflect the actual usage of the assets. The residual values are not more than 5% of the original cost of the asset. The residual values, useful lives, and method of depreciation of property, plant, and equipment are reviewed annually and adjusted prospectively, if appropriate.

f) **Impairment of Assets**

The carrying amounts of assets are reviewed at each Balance Sheet date to assess if there is any indication of impairment based on internal | external factors. An Impairment loss on such assessment is recognized wherever the carrying amount of an asset exceeds its recoverable amount.

g) **Income Tax**

Tax expenses for the year, comprising current tax and deferred tax, are included in the determination of the net profit or loss for the year.

h) **Cash and Cash Equivalents**

Cash and cash equivalents include cash in hand, demand deposits with bank and other short-term (three months or less from the date of acquisition), highly liquid investments that are readily convertible into cash and which are subject to an insignificant risk of changes in value.

i) **Investments**

Investments that are intended to be held for more than a year, from the date of acquisition, are classified as long-term investments and are carried at cost. However, provision for diminution in the value of investments is made to recognize a decline, other than temporary, in the value of the investments. Current investments not intended to be held for more than one year, are stated at lower cost and fair value.

j) **Research and Development**

No research and development expenses have been incurred during the financial year.

k) **Provisions, Contingent Assets & Contingent Liabilities**

The firm has deployed an internal procedure that will regularly identify any costs to be provided. The firm has a procedure where all the provisions are passed through a prudence test before being part of the reported financial statement. Management has evaluated and identified no contingent liability that should be forming part of the reported financial statements.

l) **Going Concern**

The management does not see any event, already happened or foreseeable, that will pose a threat to the firm's existence as a going concern entity.

m) **Related Party Transactions**

The firm has an effective mechanism in place which will identify all the related party transactions and their reporting requirements under different statutes. Also, the management has made sure that no transactions with personal effect are passed in the firm books.

n) **Regrouping | Reclassification**

Figures for have been regrouped | reclassified wherever necessary to correspond with classification | disclosure of the current year.
